

SB 122 sideboards **Classic Line**

Sideboard SB 122 is equipped with a cover board in black laminate, 1 shelf as well as a cable outlet in the backside as standard. Optionally, we offer a drawer set of totally 4 drawers instead of 1 door or the cover board in linoleum. The sideboard is available with loackable doors ? and drawers if ordered ? or without. For long durability, we make our furniture from 1-3 mm thick steel by hand and finish it off with acrylic lacquer used in the automotive industry. As all müller furniture Classic Line is available in the whole RAL colour range. Standard finish of all Classic Line furniture is glossy.
