

TB 229 *workstations*

Classic Line

As standard, the desk TB 229 with decorative trims is equipped with two containers, and a black linoleum worktop (175 x 80 cm) and central locking. The desk is also available without decorative trims (model TB 228). Both containers are available with 4 drawers or 2 drawers and 1 filing drawer. The worktop is also available in different linoleum colours. Other decors ? e.g. laminate ? are available on request. For long durability, we make our furniture from 1-3 mm thick steel by hand and finish it off with acrylic lacquer used in the automotive industry. As all müller furniture Classic Line is available in the whole RAL colour range. Standard finish of all Classic Line furniture is glossy.
